Mr. David F. Thomas,
P. O. Box 11531,
Tampa, Fla 33680

Dear Mr. Thomas:

Thank you for your report of reception of our Proo of Performance tests. WVOJ would give us some interference since they operate on the same frequency, but with a directional pattern at night. We were non-directional and got reports from the four corners.

We depend on you people for reports and are happy to send letters of verification. This time we were flooded with reports and I am just now digging out from under them.

We would be happy to hear from you again.

Very truly yours,

Ralph E. Gaskins, C. E.
